# JOIN OUR TEAM

Cogwheel is a longstanding and well-respected local charity delivering affordable counselling to adults, children and young people in the Cambridge area.

With the impact of the pandemic in amongst other pressures, young people's mental health has been noticeably affected and the demand for our service has increased substantially.

We are looking to recruit two children and young people (CYP) counsellors in the latter part of their training (placement) or fully qualified, whose training is a CYP diploma specifically.

Each would deliver a caseload of 3 weekly sessions in person from our offices in Devonshire Road, Cambridge.

Supervision is provided, and you will be joining a supportive team of dedicated trainees and qualified counsellors.

If you are interested in this exciting opportunity, please do get in touch with our Head of Services by emailing [headofservices@cogwheel.org.uk](mailto:headofservices@cogwheel.org.uk) to arrange an initial, informal conversation.
