

Cogwheel Counselling

Registered Charity 1157141

Affordable help when life slips out of gear

JOIN OUR TEAM

Cogwheel is a longstanding and well-respected local charity delivering affordable counselling to adults, children and young people in the Cambridge area.

It is well documented that young people's mental health has been significantly affected by the many challenges playing out in the world and by the limited opportunities and resources affecting many families. The demand for our service has steadily risen.

We are looking to recruit two **children and young people (CYP) counsellors** in the latter part of their training (placement) or fully qualified (Volunteer), whose training is a CYP diploma specifically. Paid work for the right candidate may be an option going forward.

Each candidate would deliver a caseload of 3 weekly sessions in person (Mondays and Tuesdays from 4pm) from our offices in Devonshire Road, Cambridge.

Supervision is provided, and the successful candidates will be joining a dedicated team of trainees and qualified counsellors. Cogwheel's helpful Administration Team and Head of Services will be there to offer support and assistance.

If you are interested in this exciting opportunity, please do get in touch with Isabelle Dolis, Head of Services. An informal, initial conversation can be arranged.
